Dear 20th Ward Neighbors,

Thank you to each resident who took the time to participate in the voting process to determine whether Alderwoman Taylor should support **Beauty for Ashes and CREA Solution's** request:

to purchase the former Betsy Ross Annex (6034 South Wabash Avenue) to develop nine affordable 3-flat homes.

Alderwoman Taylor wanted 20th Ward residents to be able to weigh in on whether this development request should move forward. Sixty-seven Ward 20 residents attended two community-wide meetings (June 8 and August 18) to hear from the development team and share their questions and concerns. After the meetings, a total of **12** eligible votes were cast during the subsequent 21-business-day voting period (Wednesday, August 19th - Friday, September 18th). Of the 12 total eligible votes, 8 votes were in favor of the project. 4 votes were not in favor of the project.

A total of 2 votes were ineligible due to those voters living outside of the 1-mile voting boundaries. *(Please note: ineligibility can mean: the voter's address is outside of Ward 20's designated voting boundaries, or the voter cast their ballot after the last day of voting).* The project will not be granted Alderwoman Taylor's support within the City Council process based on the development team receiving less than the minimum required voter participation from the community.

Please follow our newsletter and social media for updates on the next round of community meetings as the building will return to DPD's Request for Proposals process next year.
